GOING FURTHER

Club Tennis Andres Gimeno offers holiday programs for all ages and levels.

First, we offer professional analysis to place you at the correct level or match you with one of our highly skilled professional coaches. We build on your style while helping you develop techniques and strategies to take your game to the next level. The programs include instruction in English.

Choose from the options of technical and tactical training or specific physical preparation. In just a short amount of time you will feel stronger, play longer and react to the ball with more agility. Regardless of your level, develop the stamina, speed, and endurance you need to play at your very best.

Andres Gimeno holiday programs are known for pushing players hard on the court while pampering them off court.

Customize your program by adding on boarding with discounted hotel rates in the area. With a wide variety of beach front possibilities we will assist you in booking the apartment or hotel that suits you the best.
